When I got the call and decided to do the shoot, I got really excited. I mean my pussy was wet before I hung up the phone. Even though the shoot was a week away, I had to finger-fuck myself every night and twice that morning.

When the shoot day came, so did I, three times.
I think the crew got pretty excited too, I had them
running for lube, tissue, soft drinks and a bunch of
other things to help keep me cumming and cumming.
I think James enjoyed it also!

EVA GETS ANALYZED

A couple years ago, I admit, I went on a rant to another magazine about fake boobs. I thought natural was the way to do and still think so, but little by little, I saw more and more better boob jobs, so I've learned to accept them, and even appreciate the doctor's art. Eva's chest looks marvelous on the cover of 40+. So I'll eat my words.

— Ford, Tampa

As a man of my word, I bought 40+ #49 over the weekend. Like I said after I got my allowance. I bought 40+ solely on the strength of EVA ANGELINA's fantastic cover picture.

Topless with her glorious Big JUGGS sticking out for everyone to admire. And get hot about. Eva is my favorite, if not only, Hispanic porn star. So I like seeing her long, black hair hanging over those melons. And it looked like she was just about to pull her panty off to let the fun begin.

Sadly, the layout you used of Eva was a disappointment. I had expected lots of spread shots of her naked, with her naturally tanned body to lust at. She has a great pussy and ass to go along with her D cups. I had also hoped to enjoy her legs, ass and even bare feet if possible.

Eva's first photo sitting in the chair backwards is fine as it goes. I like her torpedo and black high heels. But her other photos are from another layout. And of course I liked seeing her Fucking and Sucking, the photos were still not what I had hoped for.

For one thing, the lighting was just not bright enough. It made Eva's body look dull if not dirty. This is especially true of her Centerfold and on the two pages after that. I was happy to see Eva getting screwed in the Centerfold.

Most of her poses are great. Like the three on the second page. Tonguing his dick, then sucking on it a little, then having it all the way inside her mouth. The shot on the next page is super with her blowing him and showing off her pink pussy so well.

All the rest of the pictures show Eva getting drilled. They are all real good as she liked being fucked. Her hooters look marvelous in each frame. I do wish the blue skirt had been discarded long ago or left off altogether. What purpose did it serve? There was no photo of Eva wearing a skirt before he started doing her. She looks absolutely perfect stark naked.

Why wasn't Eva fucked in the ass? The shots of her taking in the rear are good but in the asshole would have been better. Her bare feet are also never shown. Big mistake. They are very sexy to look at. I just got some pics of TASHA REIGN (who belongs in some of your mags) barefoot. Front, back and side views of Tasha and her bare feet. They will be fun to jerk off at.

Eva's best pic may be on p 5 and 6. In p 5 her hair is sexy, she is grabbing her tit, her face, eyes and teeth all say she is enjoying the screwing he is giving her. Plus there is a super shot of his dick shoved inside Eva's pussy with her lovely thighs on each side.

Her photo atop p 6 says the same thing in a different way. As he plugs in and out of her, Eva's face clearly shows how much she likes his equipment inside of her. I really like seeing her mouth wide open and Eva's eyes focused

right into the camera. Those golden globes have never looked better out in the open.

The cum shot is great. I wish there were more pics of him shooting it out of his cock onto Eva anywhere. So after reviewing all the photos with you, I have changed my mind. And will give Eva an A for this layout. But I would still like to see her alone and spreading everything wide open and BAREFOOT...

SHANNA'S NIGHT OUT

Shanna and Eddie have been married almost 20 years today. To celebrate, My husband and I, her best friend, decide to take them out to the local club for some dancing and a few drinks. With all the kids grown up and out of the house, they had no concerns in going out. And being housebound almost every day, Shanna was excited to go. At 42, she still maintains her slim girlie figure and Eddie was still a good looking guy, although his midsection was starting to grow a little too large.

Our party of four gets to the club, Purely Electronic, when the bouncer cards us girls. Flattered and giggling Shanna and I pull out our IDs and show them to the guy. He holds them up to our faces and smiles as he gives them back to us. Once inside, we make our way to a table and moments later a waitress comes over and takes our drink order. The guys gulp down their beers within minutes and order another round. Shanna and I nurse ours a bit longer as we look around the large room dimly lit with pockets of glowing, pulsing colors. It was so loud in there that we could barely talk to each other so I grabbed Shanna's hand and we get up to dance. The dance area was pretty crowded,

mostly with women, and many were so skimpily dressed, their boobs would bounce around and out. Short skirts seemed to be the dress of choice and, again, many got hiked up as the ladies gyrated around the dance floor. On the floor was a woman, probably 35 or so, who came over and asked if she could join us and we all danced together. Returning to the table we find Eddie face down in the crook of his arm. My husband says he's pretty wasted and Shanna shakes her head, takes my hand and we head off to the ladies' room.

Shanna heads to a open corner stall and pees while I adjust my stuff in the mirror. In minutes, our third dance partner enters, smiles at me and also heads to a stall. Shanna forgot to close the door to her stall and our partner walks in on her as she's finishing. I hear some "Sorries," come from the corner, then silence. I walk over and see Shanna pressed against the wall being kissed by our dance partner. I watch in disbelief as she kisses her softly at first, then a little stronger and more passionately. The woman turns and sees me watching. She backs off of stunned Shanna and introduces herself as Crystal.

Crystal takes no time in explaining that she found Shanna really sexy and wanted her as soon as she joined us on the dance floor. Shanna is shocked, scared, and turned on all at the same time. Shanna says 'Thank you but I'm married my husband is out there and I have never done anything like this before.' Crystal calmly looked at her and back to me and says

Dear 40+ mag,

I'm twenty-two and remember seeing Eva last year in Las Vegas. I was at a bachelor party for my best friend and she showed up. Apparently she knew a couple of the guys and they invited her. What a great gal she was. Even though I didn't have the opportunity to speak with her one on one, I did sit with her and the guys in a group chat. She was very nice and good natured. Even when one of the guys started jiving her about her work. She put him in his place when she invited him to motorboat her boobs, and right there she pulled her top down and pulled his head to her chest. We all laughed and laughed — at him!

— Chris, NYC

Shanna's husband is so drunk, he's out of it. Then she confesses that she too is married. We all look at each other for a minute trying to understand the consequences of the situation. Finally Shanna speaks up and says she's really flattered, but she needs to get her husband home.

A week goes by and Shanna calls me to say that she can't seem to get that kiss off her mind. Then she tells me that her pussy gets wet thinking about the scene and she can't help but want Crystal to touch her there. I guess I wasn't that shocked, but when Shanna said she was thinking of trying to find Crystal and see what would happen. I told her that if that's what she wanted, I'd support her in any way I could.

A couple days later Shanna calls me all excited to say that Crystal had just called her and wanted to see her. She asked Crystal how she got her number but her answer was elusive. So they agreed to meet at a nice hotel bar and just talk. I laughed into the phone and asked when was this to happen. "Tonight," she said. "And how are you going to explain to Eddie that you're going out?" She told me I was going to tell Eddie that we girls were going out and to pick her up at eight.

So I pick her up at eight and drive off to the hotel. We find the bar and enter to find Crystal in a very short dress whose top reveals two perfect breasts. We exchange pleasantries and quick air kisses at the cheeks. Crystal says she's so glad we came and not to be nervous. We sit at a cocktail table and order drinks. Almost

immediately Crystal starts telling us that she is bi and finds women a great release from her husband, who is okay with her doing it with women. Then we three resolve to give it a try and head up to room 302.

Shanna and Crystal go inside first and Crystal grabs her and kisses her. Shanna is so hot she kicks out of her dress with no panties or bra, just a dress and heels. Crystal also strips quickly and leads her straight to the bed. I settle in a chair nearby and pull up my skirt and pull down my panties and settle in to watch. The two then begin to kiss and rub each other, then Crystal goes down on Shanna parting her pussy lips for a female's tongue for the first time. Shanna shakes and shivers, bucks and moans through her first lesbian lashing. Shanna's body trembles as she cums hard, drenching Crystal's face with her cum juice.

Then Crystal reaches into her big purse, pulls out a strap-on and puts it on. Then she gently applies lube and very slowly enters Shanna with the nine-inch dick, letting her goddess adjust, then pushes more in till it's all in and slowly out. I see Shanna's eyes roll as her pussy grips the dong tight. Crystal's strokes are faster, harder and deeper and Shanna is getting the fucking of her life. After what seemed to be an hour Shanna screams out another climax and the two collapse on the bed as I diddle myself to cum.

— Mandy, Raleigh

Dear editor,

For my ex: I grabbed her long hair, wrapping it around my hand and pulling her head back. I rode her hard, slapping her ass from time to time. Now she's unable to concentrate on anything but my cock poking her insides. She braced herself as her whole body shivered on my cock. I knew she was cumming as I kept pumping hard trying to outlast her. She finally came squirming and buckling, her sweaty body sliding all over the bed.

— Kyler, Santa Fe

Okay guys, before you turn the page, I'm going to tell you that I'm going to suck Kristian's cock and then he's going to fuck my pussy. Then he's going to cum in my mouth and I'm swallowing it all up. Can you handle it?

SYREN & RICK

If you've never experienced me before, you're in for a real treat. I'm deliciously bad and I love to be tasted. I want you to part my pussy lips and put your warm wet tongue on my clit. Then I want you to slowly push it into my pussy. Then I want you to close your lips around my clit and suck it hard.

gotta love thy neighbor

*There's a time to keep secrets.
Especially if they get you laid by the buxom beauty in 7B.*

It's a week before Christmas and the whole town has been decorated with glee. People out shopping and many more cyber-shopping, I'm sure. Unfortunately, I had to be more frugal this year than the past few. So when I found a large package at my door, I got really excited. Then I saw who it was addressed to, Shelby, the lady in 7B. I'm in 4B but as I looked at the addressing, the 4 did look like a 7. So I pick it up and take it to her door. I knocked a few times and there was no answer. I had seen her several times and we even said hello once or twice, but she always seemed preoccu-

posing a beautiful boob with a swooping bird tattooed above the nipple. Making no effort to cover up, she told me to bring it into the room and she adjusted her towel. I stepped inside and she closed the door behind me.

"You're the guy in 4B aren't you?" she asked as I put the box on her sofa. Straightening up I said I was and said my name was Kenneth. "Oh yeah," she said, "I see you with this tall guy who's always dressed on polo shirts. I tell her that's my friend Byron. "Is he your boyfriend?" she asks with a sly smirk. "What do you mean?" I asked,

pied with something. She's probably in her late thirties or early forties. She was pretty hot looking but I don't know if she was married or had a boyfriend because I never saw her with one.

So I take the package back and settle in for another Friday night. The next morning, not too early, I again take the box and go to her apartment door. I knock several times and just as I'm about to give up for a second time, she answers the door. The door opens and there she is, wrapped in a towel, dripping water onto the door stoop, obviously she was showering. Hiding herself behind the door, I re-introduced myself and told her that a package for her was delivered to me and I was bringing it to her. She told me that she recognized me and was thankful for bringing the package. She reached out with one hand to grab it and her towel opened up, ex-

'You're gay, aren't you?' she said. Nervously laughing, trying to diffuse her questions, "Noooo," I start to say "So you're still in the closet... Don't worry, Kenny, your secret is safe with me." I was surprised with Shelby's comments, but couldn't say much as she walked over towards me from her position at the door as she looked me up and down. "You're such a cute guy!" she said, she glanced at me once more and then suddenly open her towel and dropped it at her feet. Standing there bare and barely three feet from me, she asks, "Does this do something for you?" It certainly did do something, Shelby had a great figure, everything was nicely in proportion, two large boobs with big nipples and bird tats over each one. She also had two stars, one on either side of her tummy, nicely framing her shaved pussy.

Shelby turned slowly right in front of me showing her

backside and rubbing and slapping her buttocks as she did. Turning full circle, she asks me in a rambling manner, "Have you ever done it with a woman? You must have, no? Maybe you're straight or bi but were put off because they were lousy lovers. You were probably too young and inexperienced then. Now, maybe you should try it again with someone more experienced." Suddenly she grabs my hand and put it on one of her boobs, "Now that feels nice, doesn't it?" she purrs. I give it a little squeeze and remove my hand from it.

Shelby bent down and picked up her towel, grabbed my hand and walked up the stairs to her bedroom. Once there, she threw the towel onto a chair and standing there naked in front of me, started to undress me. When she opened my pants the bulge in my boxers was quite obvious. She rubbed with the palm of her hand before pulling down my boxers together with my pants, I stepped out of the pile around my ankles and Shelby got on her knees. She grabbed my already swollen cock and started stroking it while she looked at me hungrily,

her labia and pointed to it. I pressed my tongue against it and started licking her softly then furiously. She instructed me like this until she climaxed minutes later, and I even picked up a new move or two. Shelby's body now grinds against my face harder and suddenly her arms reach out and pull my head into her pussy as hard as she could stand. Her muscles begin to quiver against my mouth as wave after wave of orgasm unleashes in her. I hear her scream as she cums hard and fast. She opens her eyes after her final orgasm and sees me standing over her with my cock pointing right. I move closer to her and Shelby feels the thick tip of my cock at the entrance to her ultra-moist pussy. Still hung up with my 'gayness', Shelby asks if I'm a top or bottom. "I'm a top!" I say before she pulled out something and started using it on me.

My dick began to lose it's hardness as she started talking again, but Shelby took up the task and had it rock hard again within a minute. Then she opens a drawer of her night stand and I saw it was packed with condoms and

her experienced hands had me at full staff in no time and then she started using her mouth. First a few soft kisses on the tip of my cock followed with small licks over the entire length of my pole. I moaned that it felt great and she was really good at it.

I let Shelby do her thing, first she slowly licked just the tip of my penis but soon her hands were rubbing it with deep strokes. She kept on going and incorporated my balls into her game, tickling them with her fingers, licking them and sucking on them. She suddenly stopped, stood up and laid down on the bed and she spread her legs and slid a finger over her already glistening, bald pussy. I got on the bed, in between her legs, where I began by licking her labia with pauses of a few seconds. I continued and soon she was giving me suggestions, "I'd like it if you'd play with my clit." at which she spread

I could even see a dildo or two. She grabbed a condom, unwrapped it, stuck it in her mouth and gave me a mini blow job to put it on my cock, she then proceeded to get on all fours. I got directly behind her well-formed ass, I put dick against her butt hole but she grabbed my cock and guided it to her pussy. I thrust and entered her warm hole and immediately started pounding her like a madman, fucking her hard and fast at which she came hard and fast.

I kept fucking, slapping her ass once in awhile but soon I wanted to take her up on her offer to give it to her anally, so I put my thumb on her ass hole and pushed gently. There was some resistance at first but then Shelby relaxed and it plopped in, without asking or saying anything I pulled out to immediately bury my cock in her willing ass. She yelled in between moans as I put it

in high gear and pounded her. I was pounding so hard she collapsed and lay flat on her stomach which didn't stop me from going on. Shelby says she hasn't had any man in her butt for some time, only some small vibes and her lovers' fingers. She didn't know if she could handle a cock as big as mine. I insist I'll go slow and take a small bottle of lube from her nightstand and pour some over it. She begins to try to relax her sphincter muscles and I slowly feel her tiny pucker begin to open. She feels her anus being stretched wider and wider as I enter her backside. Then the head suddenly presses through and fills her dark hole.

I look down and watch my cock slowly inch its way inside her tight brown star as I wiggled it back and forward, rocking my shaft a little deeper each time. She moans as she feels my thick rod go in deeper and deeper. She reaches behind her and uses her fingers to feel her stretched ass with my shaft rocking forward and back. Shelby realizes that I'm almost buried full inside her. She can't believe that her ass was able to

the bed, Shelby got on her knees, pushed her tits together. I had taken off the condom and jerked myself till I exploded and a thick strand of cum flew through the air and landed on her tits. A second strand followed quickly, as did the third. Shelby brushed her tits together a bit and I fell to my knees so she could lick my remaining cum from my cock head. When I was done Shelby gave me a big sloppy kiss. She grabbed my hand and pulled me with her to the shower, there I gave those wonderful tits another grope under the guise of cleaning them, as I did as well with her bodacious butt. Shelby scrubbed me clean as well.

Afterwards we got dressed while Shelby questioned me about how it was being with a woman. Luckily she rambled on and answered her own questions as I came through the rest of the questioning with a couple vague answers. I didn't have the heart to tell Shelby I wasn't gay but I did confess it to her later on after a couple of more discussions and luckily she didn't make an issue of it.

take that much cock. Moments later, Shelby feels my balls pressing her fingers against her wet labia lips. I slowly ease back until my tip almost slides out of her sphincter again before slowly and determinedly pressing back in again. She feels her pussy juices already flowing hard again as she continues to tingle. Shelby begins to massage her fingers against her pussy while she feels me moving my cock back and forth in her ass. She begins to furiously circle her clit with wet slippery fingers. Shelby's now moaning softly in time with the movement of my hips. I'm holding her hips firmly as the full length of my cock slips in and out of her ass. The tightness of her anus has eased slightly and I take a firmer grip of her hips and rock a little faster each time.

It didn't take long before I felt the first signs of an impending climax. I immediately pulled out and stood on

Apparently she had gotten the idea from a friend of mine, Byron probably, who had stayed with me for a while because he had some relationship problems. She had asked him how long we were together and instead of correcting her he made up a titillating story for her. I don't know if I should get back at him as I had gotten a couple good romps in the sack with her.

We left her bedroom and headed down to the living room where she proceeded to open the package in front of me. I watched as her eyes lit up as she pulled out a big black strap on and some whips and gags. Digging to the bottom, she finds a large butt plug and glowingly shows it to me. She said she had to go, but if I came back tomorrow we could break in some of her new toys. For me... tomorrow couldn't come quick enough!
